We're here for you

The loss of a child is unlike any other. We'll be here to support you in any way that we can, by guiding you, helping you make decisions and arranging everything for you.

Our rainbow service is free. We won't charge you for our services, coffin or transport, so you can focus on finding the right way to remember your child.

We know this may feel overwhelming. We've been looking after families for 100 years and we're here for you, at your side, whenever you need us.

As part of our free service, we'll:

- Make all of the funeral service arrangements
- Organise your choice of a hearse or a limousine
- Offer you the choice of a white, pink or blue coffin
- Create 20 service sheets from a selection of designs

We can also help you add personal touches, if you'd like us to:

- Offering you a limousine for you and your baby, so you can travel to the service together
- Arranging a special themed service based around their favourite colour, film, TV character or hobby, and our funeral team can match their outfits too, if you like
- Helping you choose what your child will wear, such as a favourite outfit
- Placing something treasured next to your child: perhaps a favourite photo, toy, letter or blanket
- Including a favourite colour within our colleagues' uniforms, such as a tie, a ribbon or handkerchief
- Making a cherished keepsake from a lock of hair, or a hand or foot impression
- Creating a memory box, to hold precious mementos such as pictures, cards, toys or letters in one place

If you want to visit your child, you can do so as many times as you want, for as long as you want, and our teams will arrange it all for you. We'll be there for you at every step of the way and will make sure you can say goodbye in the way which is right for you.
