

The background of the entire page is a light pink color with a repeating pattern of white line-art flowers and leaves. A solid green rectangle is centered on the page, containing the main text.

# **Your guide to our funeral options**

Every life is unique  
and every goodbye  
can be too

central The logo for Central Co-op, featuring the word "central" in a dark green sans-serif font, followed by a stylized green icon of two interlocking loops, and then the word "coop" in a lighter green sans-serif font.

# Creating a funeral that's right for you

We're here to help you create a meaningful funeral that feels right for you and reflects the life of the person who's died.

All our funerals include a dedicated team who will care for them, and you, with dignity, respect, and careful consideration of any faith. We will help you make decisions and take care of all the arrangements for the funeral, including sorting documents, booking the service (if you're having one) and arranging with any third parties. Our Unattended options include the dressing of the person who's died in a simple gown. If you choose Our Funeral Service, you can decide if they're dressed in a gown or their own clothes.

We've been caring for families for 100 years, and we'll be here for you, whenever you need us.

## Our funerals at a glance

KEY	Our services		Your personal touches

PRICE (excluding third-party costs)	£1,360	£1,390	£2,400	£2,500

\*Where a longer journey is needed, it's £2 per mile

# Unattended Funerals

**Cremation**  
£1,360

**Burial**  
£1,390

Our services include
Taking care of all the administration and organising of the funeral
Collection of the person who's died**
Care of the person who's died before the funeral
A Simple Coffin
Dressing the person who's died in a simple gown

**Our unattended Cremation**

A modern, fuss-free alternative to a traditional funeral. This is a cremation with no service, allowing you to focus on your own way to remember and celebrate the life of your loved one. We include all arrangements for the cremation which will take place at our Bretby crematorium, or a location of our choosing.

Our services include
Taking care of all the administration and organising of the funeral
Collection of the person who's died**
Care of the person who's died before the funeral
A Simple Coffin

# Sustainability

We know that many of our families want to do their bit for the environment, and it's no different when it comes to organising a funeral. There are lots of small things we can help with to make a difference, as well as being able to help arrange options like using a natural burial ground.

## Coffins

You can choose a coffin with a lower environmental impact, like our Natural Wood coffin, made with wooden handles and less plastic, making it suitable for use in both cremation and burial grounds. We also offer other natural alternatives such as wicker, cardboard, and rattan.

## Transport

We can offer an all-electric hearse and following car, please ask us for information on availability. We can work with you to organise alternative transport, like our bicycle hearse. If that's not for you, consider the location of the service to reduce commuting distance for the guests, or car-sharing to reduce the carbon emissions that come with travelling to and from the funeral.

## Floral

Floral tributes are a lovely way to showcase the personality of the person who's died but can often use a large amount of plastic, which gets left at the crematorium or burial ground. You can speak to our team about creating a floral display which minimises the plastic we include, or you can consider taking the floral displays with you and enjoying them in your home.

## Memorialisation

There are lots of ways to remember someone, including choices which will benefit the environment, like planting a tree or a rose bush in your person's name. If you choose cremation and want to bury the ashes, we can help with a biodegradable urn made using natural materials which slowly biodegrade into the soil.

You can name a tree after the person who's died, and our partner Eforests will plant a tree for them, which you can visit.

All of these sustainable services are one of many reasons why we have been accredited as a business with the Carbon Trust Triple Standard year-on-year.
